

HOW TO ORDER FRONT STARTING DEVICE

1 - Decide if you need (A) fork ring only, (B) button only or (C) complete kit

A - If fork ring only, choose the fork ring(s) for your application(s) and/or inventory and quantity's of each. If the ring is all you need, you are finished.

B - If button only, Scroll down to the FRONT HOLESHOT HOOKUP - BUTTON ONLY Section and choose the single or double button and if choosing double button, choose the color. Choose quantity's of each. If buttons are all you need, you are finished.

C - If the ring and button as a complete kit are what you need, combine A and B above with quantities of each.

If the rear starting device is what you are searching for, scroll to the end of the price list and there it is. Very simple.

A FRONT HOLESHOT HOOKUP - FORK RING ONLY
